**SUBJECT:** APPLICATION OF MURRAY WATER WORKS FOR CANCELLATION  
OF ITS CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY;  
CASE NO. MUW-W-14-01

On December 1, 2014, the Commission received a letter requesting the cancellation of Murray Water Works ("Murray") Certificate of Public Convenience and Necessity ("CPCN").

### THE APPLICATION

The above mentioned letter advised the Commission that the customers, previously served by Murray, in Murray, Idaho had formed a Water Users Association and purchased Murray's water system and real property owned by Arlin and Nancy Lish. The new owner and operator of the water system, Murray Water Association, Inc. ("MWA"), is a non-profit association with elected board members and a president. MWA attached a copy of its filing as non-profit with the State of Idaho; deed conveyance from Murray to MWA; MWA's current operating agreement; and Murray's 2010 Rate Schedule/Tariff Sheets.

### COMMISSION DECISION

Does the Commission wish to issue a Notice of Murray's Application for Cancellation of its CPCN with a 21-day comment period?
